Jo Mills - Biography

Jo Mills began to gain her extensive musical knowledge during the early 90's at London's mecca for music enthusiasts, Flying Records. Working alongside DJs such as Clive Henry, Rocky and Ashley Beedle lead her to become a regular behind the decks at the infamous Full Circle parties on Sunday afternoons. Soon Jo was playing alongside some of the biggest names in house including Danny Tenaglia, Deep Dish, Tony Humphries and DJ Sneak, to name a few.

By the late 90's it was the dawn of a new era, for DJs, and she began playing all over the world. Soon Jo was regularly playing at some of the greatest clubs of the time, especially in Ibiza, which these days is where she calls home. Having firmly stamped her mark on the island playing seminal clubs such as Pacha, Space and Amnesia she then began her residency for the now legendary Circo Loco. As one of the key players her Circo Loco residency spanned five amazing years and propelled her to the next level. Jo continues to wow audiences across Europe, South Africa, Asia, Australia, Mexico, South America, Canada the US and even Russia. Annual global tours are regularity due to her ever increasing popularity, fan base, talent and all round presence in the house scene. Also Jo is currently resident at Pete Tong's Wonderland that is taking Ibiza by storm this year.

Over the years Jo's musical talents have continued to flourish, not only as a DJ but also as a producer. In the production realm she sights the likes of Jamie Jones, Bookashade and Sebo K as inspiration and is currently receiving great acclaim for her own releases. Her collaboration with Tomas Hedberg, on Phonetic Recordings caused a huge stir in 2009 and her forthcoming release, on Back to Basics, entitled "Lullaby" is set to take the scene by storm. Out on 14th August "Lullaby" is currently receiving mass airplay and rave reviews from a diverse selection of key figures including Groove Armada, Slam, Tedd Patterson, Brother's Vibe and everyone in-between, beyond and basically all those who love quality house. Tom Novy and Oliver Huntemann are so enthused they have said, in their own words, "Woow, sexy!!! My summer tune. Great record" and "One of my favs now!!!" thereby going on the record declaring "Lullaby" as the tune of the summer.
